

packing list

“What Am I Gonna Wear?!?” ... Don't worry – it's only Camp! Pack so that you can go 7 days without doing laundry as laundry facilities are not available at Camp. All dress is casual. Maine weather is unpredictable, so dressing in layers is most practical. We recommend the following:

- 7 pairs shorts
- 2-3 pairs jeans or long pants
- Socks
- Athletic shoes
- Sandals and/or flip-flops
- 8-12 t-shirts or pullover shirts (short- or long-sleeved)
- 1-2 sweaters or sweatshirts
- 1 light windbreaker
- 7 pairs underwear
- 2 swimsuits
- 1 pair boat shoes/water sandals (with closed toe)
- 1 jacket or raincoat
- 1 pair sweatpants
- Masks ([N95s](#) are ideal, but [medical-grade surgical](#) will work, too)
- Gloves (for Ropes Course)
- Hat or sun visor
- Sunglasses
- Lightweight hiking boots (if you plan to hike)
- Personal hygiene items & medicines
- Your favorite pillow
- 1 twin sheet set w/ pillowcase*
- Blanket or sleeping bag**
- Extra blanket (Some nights can get a bit cool.)
- Pajamas (to sleep in...or to show off at the Pajama Par-tay!)
- Flashlight
- Athletic gear (softball glove, etc.)
- Insect repellent
- Sunscreen
- Plastic bag (for wet clothes)
- Rapid home COVID tests (*not required, but helpful*)
- Costumes (*optional*): Something western for the Barn Dance, something fabulous for the Tea Dance, and perhaps a little something for the Talent/No Talent Show – however, shorts and a t-shirt are perfect dancing clothes, too!
- White, 100%-cotton items to Tie-Dye (*optional*)

Don't forget your plane ticket, camera (if it's not already a part of your phone – same for a travel alarm clock), notepad/journal & a pen, and a novel. If you think you might want to do Pottery, Tie-Dye, etc., you'll want to bring a set of grubby clothes, you'll get dirty. And if you have room to squeeze in any old magazines you have, we can always use them for craft projects.

Please do NOT bring portable radios, large amounts of cash, or valuable watches or jewelry. Additionally, we ask that you NOT bring alcohol, non-prescription drugs, or weapons to Camp.

* Full-size also works if you already have them and don't want to purchase a twin set. If you've reserved/confirmed accommodations in a private or semi-private cabin, you'll of course need a full-size sheet set, etc.

** We do have a limited number of sleeping bags and pillows available for those traveling by plane. You can note your need of these items on your registration form.
